Dignified Living For People With Alzheimer Disease

January 2009

Happy New Year!

All of us at Cedarhurst wish you and yours a very happy and healthy 2009! We look forward to another wonderful year at Cedarhurst with our dedicated staff team, our delightful residents and families, and our caring and supportive volunteers.

If you live in the community and receive the Bayview Post newspaper, you may have noticed our advertisement in the January edition. We are keen to see Cedarhurst reach its intended occupancy of 24 residents and look forward to welcoming new families to the "Cedarhurst community" this year. Welcoming new residents will provide current residents with increased opportunities for socialization and interaction and enable us to expand upon our activation program.

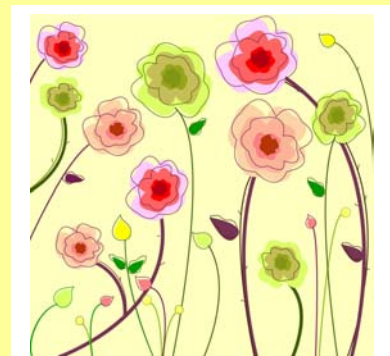

If you know of someone who might benefit from knowing more about Cedarhurst, please have them contact us or visit our website at www.cedarhursthome.ca

Happy New Year From Cedarhurst!

Music: A Wonderful Way To Share Memories & Laughter

As a lifelong pianist, Bette, one of our cherished volunteers, knows a thing or two about music! Since our official opening in 2005, Bette has been visiting weekly and has established an eagerly-anticipated weekly sing-a-long for residents.

“I play tunes from the 1920’s to the 1950’s,” says Bette, adding that the tunes she plays are the ones she grew up with and enjoyed with family, friends and within her community. “When I visit each week, we enjoy a positive, creative time together,” she says of her time with residents.

Bette began volunteering at Cedarhurst after responding to an ad in her local paper seeking a musical volunteer eager to share their time and talent with others. Her love of music is shared by many of our residents who eagerly await her arrival each week and who participate enthusiastically in her fun-filled program.

When asked what the future holds, Bette quickly adds: “I look forward to continuing to work with staff and the wonderful residents. We have fun!”
