Joyful Living. Every.Day.

Cedarhurst is a small not-for-profit retirement Home, purpose built for people living with dementia. We believe that people living with dementia, like all of us, want to live with purpose, choice and joy.

Our Home is a caring, safe place to live. Compassionate staff with specialized knowledge of dementia care provide an engaging environment for each resident living with dementia, including Alzheimer's Disease.

We believe in nurturing mind, body and spirit. We believe in living life fully.

Cedarhurst's unique physical design includes:

- ❖ 4 small self-contained home living areas with 6-7 residents per area.
- ❖ Generously sized private suites with 3-piece ensuite bathrooms.
- ❖ Each area has a small family sized kitchen where staff, with residents who are able & interested, prepare daily home-cooked meals and snacks.
- ❖ Large secure garden patio and upper terrace where residents and families can enjoy visiting, sitting in the sunshine or gardening.
- ❖ Spacious living rooms with fireplace and a piano on both floors for residents to entertain and be entertained.
- ❖ The Home's physical design allows residents to walk freely throughout its unique open concept.
